

## UCC SWIMMING POOL/DECK PERMIT APPLICATION

### A. LOCATION OF PROPOSED WORK OR IMPROVEMENT AND CONTACT INFORMATION

Site Address: _____	Tax Id# _____
Owner: _____	Phone #: _____
Mailing Address: _____	Fax #: _____
Email: _____	Cell #: _____
Contractor: _____	Phone #: _____
Mailing Address: _____	Fax #: _____
Email: _____	Cell #: _____
Contractor PA Registration Number: _____	
Contractor must file a Certificate of Insurance with the Application (Worker's Compensation and Liability)	

### B. GENERAL INFORMATION FOR INSPECTIONS

- \* A barrier (fence, wall or combination) that completely surrounds the pool and obstructs access must be installed if the water depth is over 24 inches. A self closing and latching gate that swings away from the pool is required.
- \* The barrier must be a minimum of 48 inches. A door alarm is required if a dwelling wall with a door is part of the required barrier.
- \* Fences shall be designed to not allow the passage of a 4" sphere or create a ladder affect.
- \* Decks greater than 30" above grade require a separate building permit
- \* Above ground pools require a detachable or folding ladder or steps with a self closing and latching gate.
- \* A site plan showing: set back lines for existing structures, pool location, walkways, pool equipment and/or decking from property lines
- \* The applicant must submit construction documents that contain sufficient information for the Code Official's review to determine compliance with the UCC Codes (deck plans, pool plans, etc)
- \* **PROOF OF A CONTRACT FOR THE REQUIRED FENCE INSTALLATION MUST BE PROVIDED BEFORE THE PERMIT FOR CONSTRUCTION OF THE POOL WILL BE ISSUED.**  
 Proper Electrical Installations -  
 GFCI general use receptacle between 10' and 20' of the pool  
 Pump motor receptacles within 5' to 10' of the pool must be of a locking and GFCI type  
 NO receptacles shall be within 5' of the pool walls  
 Burial depth of wiring may be 12" when using one (1) 20 amp circuit that is GFCI protected. Other circuits require 18" deep trench

### C. TYPE OF WORK OR IMPROVEMENT (CHECK ALL THAT APPLY)

- |  |   |                                      |
|--|---|--------------------------------------|
| <input type="checkbox"/> Above Ground Pool | <input type="checkbox"/> Fence (48" minimum)          | <input type="checkbox"/> Electrical  |

**E. WORKER'S COMPENSATION INSURANCE COVERAGE**

All applicants are required to submit evidence of Worker's Compensation Insurance Coverage as directed by PA ACT 44 for contracted work.

**F. ACKNOWLEDGMENT**

Application for a permit shall be made by the *owner or lessee* of the building or structure, or *agent* of either, or by the *registered design professional* employed in connection with the proposed work.

**AUTHORIZED AGENT/LESSEE/REGISTERED DESIGN PROFESSIONAL -**

**The PROPERTY OWNER is ultimately responsible for all costs associated with the processing of this application after it is filed. Unpaid fees will result in a municipal lien placed upon the property for the cost of the permit, late fees, attorney's costs, and Court filing costs. To certify an Authorized Agent/Lessee/Registered Design Professional, the PROPERTY OWNER is required to file a Notarized Statement granting the authority.**

**G. CERTIFICATION & PERMISSIONS**

The applicant certifies and understands that:

1. all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and PA Act 45 (Uniform Construction Code) and any additional approved building code requirements adopted by the Municipality.
2. the **issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances or the Municipality or any other governing body.**
3. certifies he/she understands all the applicable codes, ordinances and regulations.
4. the applicant assumes the responsibility of locating all property lines, setback lines, easements, house drains, laterals, rights-of-way, flood areas, etc. Property owner and applicant shall not construct or erect structures or encroach into the Municipality's right-of-ways.
5. the applicant gives permission to the Code Administrator or the Code Administrator's Authorized Representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.

**H. VERIFICATION**

I verify that the statements made in this application are true and correct. I understand that false statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 relating to unsworn falsification to authorities.
